LM (Life Member), LF (Life Fellow), DLF (Distinguished Life Fellow), LA (Life Associate) – 2nd 5 years	\$140	\$180

Residents who enroll as Medical Student members who upgrade to Member-in-Training status between January and June receive a waiver of MIT dues for the remaining calendar dues year. If the enrollment or upgrade is between July and December, the MIT receives a waiver of MIT dues for the remainder of the calendar dues year, plus the following calendar dues year. The same rule applies to members who first join as Residents (as opposed to those who join the APA as Medical Students).
